The 2010 Tim Kerin Memorial Awards Luncheon

and SEATA Hall of Fame Induction

Sponsored by

March 20, 2010

*Marriott Bay Point Golf & Spa Resort
Panama City Beach, FL*

SEATA HONORS & AWARDS

Hall of Fame: The SEATA Hall of Fame is designed to recognize and honor those members of our District who performed extraordinary service and brought honor to the profession of athletic training particularly at the SEATA level. Service at local, state, and national levels is considered but service to SEATA is the primary consideration. Minimum eligibility requirements include 15 years as a certified member working or living in District IX and at least 20 years of service in the profession.

Chuck Kimmel Award of Merit: The highest award given to a member of the Southeast Athletic Trainers' Association. Its purpose is to recognize the person that has worked for the District on a national level. It is a way to distinguish one who has brought honor and recognition to the District. A distinction reserved for the most able of professionals in the field of athletic training. The SEATA Executive Board renamed the SEATA Award of Merit to the Chuck Kimmel Award of Merit on January 30, 2008 to honor Chuck Kimmel for his many contributions to the profession of athletic training through his work in SEATA and the NATA.

Jack C. Hughston, M.D. Sportsmedicine Person of the Year: This award is given to the person that has contributed to SEATA and athletic training as a profession. Both medical and non-medical persons have been recipients of this award. This award is the highest award given to a person who may not be an athletic trainer and is designed to show the district's appreciation for particular contributions to the field of athletic training in the southeast. This award was renamed in honor of Dr. Jack C. Hughston, M.D. by the SEATA Executive Board in December 2004.

District Award: There are many people who serve SEATA very well. It is dedicated to the person who has given of himself or herself to promote, lead, and work for the District. They may not have served on a national level but have made significant contributions on the district level.

Backbone Award: One of the first awards given by SEATA. It is designed to recognize an assistant athletic trainer that has played a major role as backbone to the Head Athletic Trainer. This award is for the person in the trenches that is there day to day what is needed in the athletic training room, the true professional. A cash award goes to this recipient.

High School Athletic Trainer Award: This is an opportunity to recognize someone in the District on the secondary school level. This honoree has made a major impact on their communities and institution. Many of these people may not have had their chance to serve on the District or National levels. However, their importance has been seen in the state and communities where they reside. They have contributed to the growth and awareness of the profession of athletic training. A cash award goes to this recipient.

College / University Athletic Trainer Award: This award will recognize an athletic trainer at the college / university level for service to the institution, the community, as well as SEATA. This person serves many functions in addition to athletic training.

Clinic / Industrial / Corporate Athletic Trainer Award: We will honor an athletic trainer that has represented our profession well in a clinic, industrial or corporate environment. This venue of service enlightens the public to the many benefits of having an athletic trainer in the workplace.

Professional Athletic Trainer Award: This honor will recognize an athletic trainer associated with a professional sports team in our district. This recipient will be an athletic trainer involved in professional sports that represents our profession well and makes athletic training more visible.

Education/Administration Award: Many athletic trainers serve as educators or in administrative positions. This award is given to a member that is committed to teaching athletic training skills and functioning in a leadership capacity at an institution.

Sponsors Award: SEATA is very appreciative of our many friends that have supported athletic trainers through the years. We honor those who have made an impact on our organization through their contributions.

To nominate a member for a SEATA Award, go to <http://www.seata.org/Awards.htm>

To apply for a SEATA Scholarship go to <http://www.seata.org/Scholarshipdetails.htm>

The Southeast Athletic Trainers' Association (SEATA) is District IX of the National Athletic Trainers' Association. It is a not-for-profit organization dealing with the concerns of its members and the profession of athletic training as a whole. This association was first started back in 1950. Initially comprised of the members of the Southeastern Conference schools, this district is represented by Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, Tennessee, Puerto Rico, and the Virgin Islands.

The 2010 Tim Kerin Memorial Awards Luncheon and SEATA Hall of Fame Induction

The Tim Kerin Memorial Awards Banquet was established to honor longtime University of Tennessee Athletic Trainer Tim Kerin for his dedication and service to the Southeast Athletic Trainers' Association. From its inception until his untimely death, Tim served as Chairman of the SEATA Honors and Awards Committee. He established the awards, which included the Award of Merit, Sportsmedicine Person of the Year, District Award and Backbone Award. His love for athletic trainers has made SEATA's Honors and Awards Program what it is today. Gatorade has supported the Awards Luncheon generously over the years as a result of its relationship with Tim Kerin.

SEATA Hall of Fame 2010 Class

Lori Groover

Lori M. Groover was actively involved in the athletic training profession since 1992. She began her career as Chair of the Georgia Athletic Trainers' Association High School Committee, followed by Vice President of the GATA for two years. She then served as GATA president before being elected SEATA Secretary. During her involvement, Lori helped foster the GATA Annual High School Student Athletic Trainer Meeting, GATA membership growth, and provided state practice act improvements. Lori worked closely with WAGA Fox 5 television on the story portraying the need for licensed athletic trainers.

Lori was elected interim SEATA Secretary in the Spring of 2006 and subsequently elected to a regular term in the fall of 2006. During her time on the SEATA Executive Board, Lori served as Elections Committee Chair and served as liaison to the SEATA Website and Newsletter Committee. She also served as the GATA representative to the SEATA Public Relations Committee and was very active in getting members to write Congress regarding athletic training legislation.

Lori served as a BOC test examiner for seven years and served on the Sports Medicine Advisory Committee for the Georgia High School Association. She was an inaugural member of the Gatorade High School Athletic Trainer Board and was an instructor for the Georgia High School Association Coaches' First Aid Course. Lori also served as NATA Volunteer Team Leader for the 2006 NATA Annual Meeting and Symposium held in Atlanta.

Lori worked as an athletic trainer since receiving her undergraduate degree in Sports Medicine from Valdosta State (College) University. She worked as a Staff Athletic Trainer with Candler Sports Medicine and Memorial Sports Medicine and South Effingham High School in Savannah, as the inaugural full time Athletic Trainer at Woodward Academy, as a Physician Extender Fellow at University Orthopaedics in Decatur, Georgia and most recently Assistant Professor and Coordinator of Health Sciences at Nicholls State University in Thibodaux, LA.

Lori passed away on August 6, 2009 after being diagnosed with cancer in June. In 2009 Nicholls State University named a Student Leadership and Professionalism Award in her honor and in 2010 the Georgia Athletic Trainers' Association named their scholarship program in memory of her and the leadership she provided.

SEATA Hall of Fame 2010 Class

Gary Wilkerson

Gary Wilkerson is a tenured professor at the University of Tennessee at Chattanooga, where he has served as a member of the Graduate Athletic Training Education Program faculty since 2000. He earned degrees from Eastern Kentucky University, the University of Arizona, and the University of Kentucky. Upon SEATA Hall of Fame induction in 2010, has been a member of SEATA for 31 years; the past 11 years as a member of the Tennessee Athletic Trainers' Society and for 20 years as a member of the Kentucky Athletic Trainers' Society. Over the past 32 years he has had a wide variety of professional experiences, which have included prevention and treatment of sports injuries among high school, college, and Olympic athletes, functioning as a physician extender in a multi-specialty medical practice, teaching family practice residents, co-founding and managing a sports rehabilitation clinic, consulting with manufacturers of sports medicine equipment, and providing corporate health management services.

Previous professional affiliations have included full-time positions at Amphitheater High School (Tucson, AZ), Centre College (Danville, KY), Trover Clinic (Madisonville, KY), and BioKinetics Therapy & Training (Paducah, KY). Service to SEATA has included 10 years as a member of the Research & Education Committee, six of which he served as chair, eight years as the Tennessee representative on the Clinical & Emerging Practices Committee, 10 consecutive years as a faculty member for the SEATA Athletic Training Student Symposium, and chair of the Poster Abstract Review Subcommittee for the past two SEATA Athletic Training Educators' Conferences. Service to NATA has included six years as a member of the Post-Professional Education Committee and 10 years as a member of the Editorial Board of the *Journal of Athletic Training*. Recently he has been appointed to the NATA Fellows Selection Council and the Healthcare Reform Think Tank, and reappointed for another term on the *JAT* Editorial Board. Other service to the athletic training profession has included participation as a member of the medical staff for the Bluegrass State Games, coordination of Kentucky High School Athletic Association regional sports medicine conferences for coaches, serving as an examiner for the Board of Certification examination, making numerous presentations at state meetings, serving as a post-professional education program accreditation reviewer, and making three international trips to conduct workshops at sports medicine conferences sponsored by Athletes in Action in Mexico and Guatemala.

Dr. Wilkerson's primary expertise relates to ankle biomechanics, neuromuscular control of the lower extremity, and rehabilitation outcomes. He has made numerous presentations at national and international professional conferences, and he has served as Editor-in-Chief of *Athletic Therapy Today* for the past eight years. His research has been published in *Journal of Athletic Training*, *American Journal of Sports Medicine*, *Foot & Ankle International*, *Journal of Occupational and Environmental Medicine*, *The Physician and Sportsmedicine*, *Journal of Sport Rehabilitation*, and *Journal of Orthopaedic and Sports Physical Therapy*.

He has received the SEATA District Award, the NATA Athletic Training Service Award, and the NATA Most Distinguished Athletic Trainer Award, and was among the first group of athletic training scholars selected to receive the designation of Fellow of the NATA in 2008.

II. Old Business

- A. Approval of minutes of Boston Meetings; motion made by Doug May and seconded by John Wells; motion carried.
- B. Mention of honorarium to Kenny Howard thanking us for money.
- C. Discussion of Section III revision on Procedures for Certification. Discussion led by Russ Miller, member of the Certification Committee; also discussion of Associate Membership Classification.

Southeast Athletic Trainers' Association

III. New Business

- A. Plaque and plate presented to past Director Gene Smith for services rendered.
- B. Discussion of Director's Report of Boston Board of Directors meetings. This was distributed to each member by Mr. Wall in mimeographed form.
 - Discussion of CEU by Roy Don Wilson and Jack Redgren. Mr. Redgren said the requirements will be relaxed as it seems to be unworkable.
 - Discussion on State Licensure and reasons for licensure were discussed by Mr. Wall. Do it at the state level.
- C. Election of Assistant Director to succeed T.K. Wall in three years.
 - Bobby Barton- motion made by Tom Simmons and seconded by Leroy Mullins. Motion made by Don Boyne that nominations be closed; seconded by Doug May.
 - Barton is new Assistant Director.
- D. Mr. Goostree asked for the feelings of the two PT's in attendance relative to licensure of trainers.
 - Those P.T.'s present; Jack Redgren and John Wells.
 - Redgren said to write it for trainers and not to worry about P.T.'s.
 - Get it done right away before P.T.'s find out about it.
 - Get someone to champion bill—someone with political clout.

Motion made to adjourn by Jack Redgren and seconded by Bill McDonald.

Special Thanks to Skeeter Schuessler
