Something About Us

What is the Young Professionals' Committee

District IX Young Professionals' Committee is comprised of certified athletic training professionals, ages 35 and younger that reside in the Southeast Region (AL, FL, GA, KY, LA, MS, & TN).

Purpose

District IX Young Professionals' Committee strives to identify and address the interests, needs, and concerns of young athletic training professionals.

Benefits

There are many benefits to joining the Young Professionals' Committee in your state. Networking and camaraderie, just to name a few. Most importantly, you will have an active voice in impacting positive change and molding the athletic training profession.
